What excites me most about Como Park Lutheran Church? This picture says it all. The joy, energy and community that is generated when CPLC members come together in our mission to serve others. – Sue Brogger

STEP 4: HAVE FAITH AND ASSUME SUFFICIENCY NOT SCARCITY

Many fear they will not have enough to live on. This is called The Scarcity Assumption. It is human and natural but it is not Christian.

Our faith teaches us that God will provide sufficiently for all our needs if we but trust in God's promises. And this is so even when we give away the largest portion or amount that we have ever given!

So we must have faith that a good and gracious God will continue to provide for us in the future as God has in the past. And as God has promised to do!

We are to trust God as did Abraham of old and so many others throughout the pages of the Bible. These examples were written for our instruction and for our assurance. We must learn to give in faith with the assumption of sufficiency, not scarcity. God will provide because God cares for us.
